PocketSaver.Views.MainMenuPage

```
graph BT; A[PocketSaver.Views.MainMenuPage] --> B[ContentPage]; A --> C[ContentPage];
```

The diagram illustrates a class hierarchy. At the bottom, a box labeled 'PocketSaver.Views.MainMenuPage' has two arrows pointing upwards to two separate boxes labeled 'ContentPage' at the top. This indicates that 'PocketSaver.Views.MainMenuPage' inherits from or specializes both 'ContentPage' instances.
