PocketSaver.Views.NewItemPage

```
classDiagram
    class ContentPage
    class PocketSaver.Views.NewItemPage
    ContentPage <|-- PocketSaver.Views.NewItemPage
```

The diagram illustrates a class hierarchy. At the top, there are two boxes, both labeled 'ContentPage'. Below them, centered, is a box labeled 'PocketSaver.Views.NewItemPage'. A horizontal line connects the two 'ContentPage' boxes. From the center of this line, a vertical line descends to the top of the 'PocketSaver.Views.NewItemPage' box. From the top of this vertical line, two arrows point upwards to the bottom of each 'ContentPage' box, indicating that 'PocketSaver.Views.NewItemPage' inherits from both 'ContentPage' instances.
