MasterDetailPage

PocketSaver.Views.MainMasterDetailPage

```
graph BT; A[PocketSaver.Views.MainMasterDetailPage] --> B[MasterDetailPage]; A --> C[MasterDetailPage];
```

The diagram illustrates a class hierarchy. At the bottom, a box labeled 'PocketSaver.Views.MainMasterDetailPage' has two arrows pointing upwards to two separate boxes at the top, both labeled 'MasterDetailPage'. This indicates that 'PocketSaver.Views.MainMasterDetailPage' inherits from both 'MasterDetailPage' instances.
